

VOTING EVENT
ATTENDEE FEEDBACK

HOW WOULD YOU RATE THE EVENT OVERALL

■ Very good ■ Good ■ OK ■ Poor

- Amazing event, lovely to see the community come together
- Brilliant concept, well planned and definitely well executed
- Brilliant, so good to see it come back to the community
- Brilliantly organised community event, met people, learnt about community events and projects
- It was fantastic to get together and make things happen
- Needed music or entertainment during the break
- Very efficiently run - great to have free food
- Well organised and great that this kind of thing exists - well done!
- Well organised event - great food! Obvious the amount of thought and planning gone into organising it
- What a brilliant idea to open this up to the community and giving people a voice! Very well organised and good idea to put food on too

HOW WOULD YOU RATE THE REGISTRATION PROCESS?

■ How would you rate the registration process? ■ Very good ■ Good ■ OK ■ Poor

- Easy and quick
- Easy to register
- Hand out forms for voting during registration
- I didn't find out about it - got tickets through someone else
- Not everyone can be online
- Not well publicised
- Simple and easy
- Simple, clear, accessible
- Some people I spoke to had not been aware of the event/need to register, advertise more widely, particularly to people not on Facebook
- Well done!

HOW WOULD YOU RATE THE OVERALL QUALITY OF THE APPLICANTS?

■ Very good ■ Good ■ OK ■ Poor

- All deserved funding - next year an overall bigger pot?
- Difficult to choose
- Diverse, benefits variety of interests and needs in our community
- Good to see so many inspiring people seeking to raise the profile of Levy
- Hard to compare big and small bids
- Liked the concept of the three minute pitch
- More diversity by bigger marketing of fund and time to enter
- There did seem to be quite a discrepancy between bids for genuine community centred ideas and bids essentially for business maintenance
- Very hard to choose
- Very impressed!
- Was really impressed by applicants and so excited to hear so many ideas I'd love to be happen in Levy

HOW WOULD YOU RATE THE VOTING PROCESS?

■ Very good ■ Good ■ OK ■ Poor

- It was simple, easy to follow and quick!
- Might be good to have a Q&A with them all
- No online voting so less than 0.5%
- Simple and really quick!
- Very quick but spare ballot papers left lying around
- Very simple and easy

WHAT IMPROVEMENTS WOULD YOU MAKE/OTHER COMMENTS?

- Alternative funding opportunities for unsuccessful groups
- Amazing result , great to see so many great projects funded
- Consider opportunities/post its on local groups could share resources - i.e. knitting space could use local café space
- Count in/out voting forms - hand to people during registration
- Emphasise where the money is from, maybe breakdown small/large categories
- Get local pitches to show/try examples as well
- Great event, well done
- Great event, well presented while still feeling informal/accessible and friendly
- Great for the community - a bit too long to wait from casting vote to winner announcement
- Hand out ballot papers as people sign in
- I'd like to see a full list of all bids submitted
- It was great to come together and be actively involved in decisions re the community in a grass roots direct way
- It's good everyone got something but should be more competitive next time
- Lovely food thanks
- Made me proud to live in Levenshulme and the amazing vision of people in and of this community
- More publicity/more transparency/more bidders shortlisted
- Needs more publicity
- Open Q&A session so I could hear questions from other people might give me a perspective I had not thought of and help me in my decision making
- Overall good event with collective community engagement/spirit
- Provide advice on pitch
- Q&A session instead of time to approach applicants separately
- Say how and where the money has come from
- Tally system could be quicker for counting
- Tea and coffee
- THANK YOU!
- The time between voting and counting should be quicker
- This event has the potential to make a real difference to Levenshulme and to change the lives of those bidding. The spinoff benefit is the networking done/ideas swapped/contacts made
- To give the community a voice to vote in something like this is so important and should be encouraged in future
- What a generous event - so great that all of the projects were funded! I hope the winners collaborate...
- Would have expected to have a 5 for 5.30pm start - I felt rushed
